MEDIBAG™ NAMED BEST PRODUCT OF 2006 BY ONE OF THE LARGEST ONLINE COMMUNITIES, IPARENTING

Phoenix, AZ (February 6, 2006) – Phoenix based, me4kidz™ was recently named one of iParenting’s Best Products of 2006 for its medibag™. The medibag™ features a quick-action first-aid flip chart, safety proofing your home CD, CPR & first-aid training opportunities, children’s first-aid products & a unique design presenting a kid-friendly, “sting free” approach to first-aid.

To be considered for an iParenting Media Award, me4kidz™ submitted four medibags™, which were then precisely matched within iParenting’s database of hundreds of experienced reviewers using their state-of-the-art technology. An expert, childcare setting & a family reviewed the products and submitted a thorough evaluation of each item. The end result of this comprehensive process is a list of award-winning products families can feel confident in purchasing for their loved ones.

“We are excited to be honored with this award, it gives our commitment to education and safety awareness the stamp of approval,” says Pete & Richelle Nassos, owners & founders of me4kidz™. “It’s an honor to be named alongside such companies as Lego, Radio Flyer and Reader’s Digest as a product that families, children & experts approve.”

STATISTICS

Children’s injuries from ages 5 to 14 claim more than three times as many lives as the leading cause of death. An average of 3.4 million home injuries are treated in hospital emergency departments each year, among children less than 15 years of age.

ABOUT ME4KIDZ, LLC

me4kidz, LLC entered the juvenile products industry in December 2005. Based in Phoenix, Arizona me4kidz, LLC prides itself on manufacturing the medibag™ in the USA and giving back to the community by donating a percentage of its proceeds to children’s organizations. The Nassos family realized the demand to provide a reliable, first-aid kit that makes first aid fearless for children & educational for everyone...thus the idea for the medibag™ was born!
